Subject: Aventine Renewable Energy Holdings, Inc. Case No. 09-11214

In Light of the recent proceedings in the Aventine bankruptcy . I write again asking that the share holders be fairly represented in this case . The results of the vote on the Plan of reorganization clearly show that the majority of the shareholders agree that this plan is unacceptable and unfair .

I respectfully request that the following steps be taken to ensure that the shareholders are fairly represented.

1. A shareholders meeting take place in so we can elect a Board of directors that will fairly represent our interest.
2. A Shareholders equity committee is appointed in this case.
3. The current plan of reorganization be canceled and resubmitted to courts after a shareholders committee has had a chance to form an appropriate plan.

Respectfully a Current shareholder .
